#### 2026 New Year's Greetings From His Eminence Gomonshu Kojun Ohtani

As we welcome the arrival of the New Year, I extend my sincere greetings.

In recent years, natural disasters—including typhoons, torrential rains, earthquakes, and large-scale wildfires—have occurred with increasing frequency both in Japan and around the world, causing devastating damage and casualties. I offer my heartfelt condolences for those who lost their lives, and I express my deepest sympathy to all who have been affected. I fervently hope that you may all regain normalcy in your daily lives as soon as possible.

Last year marked a significant milestone, the 80th anniversary of the end of World War II. In July, I had the honor of attending memorial services in Okinawa, Hiroshima, and Nagasaki—places that suffered destruction beyond words—and had the precious opportunity to listen to the accounts of those who lived through the war. I once again engraved in my heart the words of Sokunyo Monshu who said at the 1995 “50th Anniversary of the End of World War II Memorial Service for All the War Dead”: *“We cannot help but feel deep remorse before the Buddhas and Spiritual Leaders for the fact that we were unfaithful to the teachings of our Founder and actively cooperated with the war in the name of Buddhism.”* With renewed recognition of our organization’s wartime responsibility, I reaffirmed my resolve as we continue forward on this path.

In the postwar years, our organization began its journey by refusing to avert its eyes from the fact of its active cooperation and involvement in the war, and by striving to build a peaceful society in which all people may live in spiritual fulfillment. We must continue to confront these truths with sincerity and ensure that such errors are never repeated. Even now, around the world, wars and conflicts persist, and countless precious lives remain at risk. In such times, let us hold close to our hearts Shinran Shonin’s aspiration—*“May there be peace in the world, and may the Buddha’s teaching spread!”*—and walk each day in harmony with this wish.

## AKEMASHITE OMEDETOU GOZAIMASU!

Happy New Year! May the Infinite Light and Life of Amida Buddha awaken in each of us a fresh sense of joy as we welcome a brand-new year into our lives.

Mahalo for the friendship, understanding, and support so many of you have extended to me during the past year. I humbly ask for your continued support and guidance as we move forward together.

Recently, I read an interesting article accompanied by photos about *ozōni*. *Ozōni* is a soup made with mochi and vegetables and is an essential dish for celebrating the New Year in Japan. In the Kansai area, where I am originally from, *ozōni* is made with white miso (*shiro miso*) and round mochi, while in the Kanto area, it is generally prepared as a clear soup with square mochi. The seasoning and ingredients vary by region and even by household. One of the special features of *ozōni* is its reflection of local culture through the use of additional ingredients, such as fish, chicken, and other regional specialties. It is a cherished tradition in Japan for families to enjoy *ozōni* together with *osechi ryōri* (special New Year dishes).

At Lihue Hongwanji, following our New Year's Eve service, temple members line up to ring the temple bell. Traditionally, the bell is struck 108 times, symbolizing the 108 characteristics of our human nature, known as *bonnō* (Blind Passions). However, the striking of the bell does not rid us of these 108 blind passions. Instead, it serves as a reminder of who we truly are.

Shinran Shōnin taught that as long as we are preoccupied with our 108 passions, we will not fully understand the intention of the Primal Vow of Amida Buddha. Only when we realize how truly limited we are as human beings and face our deep ignorance do we come to rely completely on Amida Buddha.

To truly see our ignorance, anger, self-centeredness, and our 108 passions is, in fact, liberating. This realization frees us because we can finally awaken to our true selves. In Jōdo Shinshū, we are liberated because we are foolish—not in spite of it. Recognizing our foolish, human nature is an essential part of our awakening.

At the beginning of the year 2026, I would like to wish you and your families a meaningful and fulfilling year. I also wish to express my sincerest appreciation and gratitude to all of you for making this past year such a valuable and rewarding experience. Being able to share the Nembutsu teaching with you has been truly wonderful for me.

Let us continue to work together in 2026 to make Lihue Hongwanji Mission a welcoming and supportive environment for hearing the Nembutsu teachings.

May gratitude and appreciation enter your lives as you awaken to the Nembutsu teaching.

**Namo Amida Butsu**

Rev. Shawn Kosho Yagi

### Happy New Year!

As we welcome another year, let us once again be mindful that we are all embraced by Amida Buddha's boundless Compassion. With deep gratitude, I look forward to walking the path of the Nembutsu together with all of you in the coming year. I would also like to express my heartfelt appreciation for your continued understanding and support of the various activities of the Honpa Hongwanji Mission of Hawaii.

In October of last year, I had an opportunity to visit Ryukoku University in Kyoto. While there, a framed calligraphy on the wall caught my eye. It read, “共結来縁” ( “Let us together form the karmic bond to come”). This particular work was written by Rev. Shunkai Matsuura, the former Chief Priest of Mibu Temple in Kyoto and a graduate of Ryukoku University. With his calligraphy, he expressed the wish that “people from various backgrounds come together, cherish the bond they share, and move forward toward a common goal.”

I found these words truly inspiring. Upon returning to Hawaii, I learned that this phrase originally comes from an ancient Chinese poem: “Mountains and rivers may divide us, but the wind and moon share the same sky. Sending this robe to my fellow disciples (of the Buddha), may we together form a karmic bond.” Over 1,300 years ago, Prince Nagaya of Japan had these words embroidered on a thousand robes sent to the Tang dynasty, wishing that, even though we are different, our shared goal is to spread the teachings of Buddha. It is said that the great Chinese master Ganjin was deeply moved by this message, which inspired him to cross the sea to Japan to transmit the Buddhist precepts.

In our Hongwanji Sangha, too, people of many backgrounds come together. Each of us carries our own karmic conditions—unique and irreplaceable by others. There are moments when we may wish that someone could take our place, or when we long to carry another's burden, but ultimately, we each must walk our own path. At times, this journey makes you feel lonely or uncertain.

Yet, Amida Buddha never abandons us. Out of immeasurable Compassion, Amida Buddha fulfilled the Vow to bring every being to the Pure Land. That compassionate calling—“Namo Amida Butsu”—reaches each one of us, here and now. Through the Nembutsu, we come to realize that the path we once thought we walked alone is in fact illuminated by Amida's Light and is shared with many fellow travelers. From that awareness arises a heart of gratitude and joy.

Let us make this year another opportunity to listen deeply to Amida Buddha's compassionate calling. In keeping with our 2026 theme, “**Nurturing Nembutsu: Sharing Gratitude,**” may we live each day with appreciation and share the joy of a life of gratitude with others.

May this year be filled with the warmth of Amida's Compassionate Light, peace of mind, and the joy of the Nembutsu for you and your loved ones.

In Gassho,

Rev. Toshiyuki Umitani  
Bishop  
Honpa Hongwanji Mission of Hawaii

## Happy New Year! Akemashite Omedetou Gozaimasu! Hauoli Makahiki Hou!

Aloha kākou! I hope that you and your loved ones are in good spirits as we enter the New Year – 2026!

Yes, another year has gone by quickly. I can look back at the past year and I'm happy that the year has gone well for my family. At the same time, I am aware that we are all a year older. I am sure that each one of us can recall losing a dear friend, colleague or family member this past year. Let us take a moment to be grateful for the connection that we enjoyed and still do enjoy with that person or persons.

It has occurred to me more than once in the past year that I won't be here forever. This realization often happens when I first get up in the morning. I think to myself, "Hey, I'm over 70!" Maybe it is because I must stretch out the stiffness in my fingers in the morning ("welcome to the land of osteoarthritis" says my friend the rheumatologist). I stretch muscles in my low back and legs before I can "bounce" out of bed. Realizing the truth of the impermanence of life makes me try to make the most of every day.

Our theme and slogan for 2026 is, "**Nurturing Nembutsu: Sharing Gratitude**". Shinran Shonin taught that the Nembutsu, the name of Amida Buddha, verbalized as *Namo Amida Butsu* is an expression of gratitude. The Nembutsu, *Namo Amida Butsu*, is our grateful response to Amida Buddha's Calling Voice. *Nurturing Nembutsu: Sharing Gratitude* reminds us that every moment of our lives, Amida Buddha embraces us with immeasurable Wisdom and Compassion. We respond to Amida's compassionate calling voice with profound gratitude.

This is my last New Year's Greeting to you as President of the Honpa Hongwanji Mission of Hawaii. Our Hawaii Kyodan Bylaws specifies term limits for the office of President and the last of my three terms will end with the close of our Legislative Assembly in February 2026. I plan to remain active on the HK Board of Directors as Immediate Past President and I look forward to seeing many of you in the future via Zoom or in person at various activities.

Serving as your president has been a wonderful life experience for me. I have made Dharma friends across our state, nationally and internationally. I have experienced many "Nembutsu Moments" learning about and living Jodo Shinshu Buddhism. I would like to express my deep appreciation to all of you for assisting in our mission to "share the living teachings of Jodo Shinshu Buddhism so that all people can have lives of harmony, peace and gratitude". Your dedication, creativity and determination in sharing the Nembutsu teachings makes a difference in our world.

I hope that you will enjoy peace and happiness in the New Year!

*"As one little candle lights another, so the light of Buddha's compassion will pass from one mind to another mind endlessly".* (The Teaching of Buddha)

With Gassho,  
Warren Tamamoto  
President, Honpa Hongwanji Mission of Hawaii

Happy New Year Everyone!

I'm pleased to say that we had a good 2025 at Lihue Hongwanji Mission. The kitchen renovation was completed before the Bon Dance. The audio/visual equipment was upgraded in both the temple and social hall. The Bon Dance went well with the help of many people who stepped up to the challenge. We had about 90 members come to the 125<sup>th</sup> Celebration. A record number of members in recent years participated in the General Cleanup and attended the General Membership meeting. The first ever Bare Necessities Drive drew an overwhelming response. These were just the highlights. On a daily basis, we have the Preschool, martial arts, pickleball, and LHWA activities ongoing. I'd say that we have a thriving temple.

You can look forward to some new events in 2026. Three people have contributed new ideas that are in the planning stage now.

If there's one thing that is undisputably true, it's that time passes. You can do something or you can do absolutely nothing. You may be here or you may not be, but tomorrow will come. 2026 is here. Together, let's make it another good year!

In Gassho,

Lynne Matsumura

### 2026 Theme and Slogan

#### “Nurturing Nembutsu: Sharing Gratitude”

Living with the Nembutsu gently guides our hearts toward gratitude, humility, and connection. Nurturing the Nembutsu becomes not only a journey of personal transformation but also a shared joy that goes beyond our individual lives. The Nembutsu is a living reminder of our interconnectedness and a celebration of the many blessings we receive. It is a heartfelt acknowledgement that our life is only possible through countless causes and conditions.

Gratitude is the foundation from which spiritual growth begins. When nurtured, gratitude changes our perceptions, allowing us to see the extraordinary in everything around us. In the practice of Nembutsu, gratitude isn't just reserved for big gestures or rare moments — it is woven into every fleeting moment of our daily life.

To nurture Nembutsu is to cultivate a grateful awareness of life as it is. Sharing gratitude with others enhances its transformative power, building bonds of empathy and mutual understanding, breaking down barriers, and reminding us of our shared humanity. As Gomonsu Kojun Ohtani writes, “Rather than to simply live day in and day out as if we are just 'going through the motions,' in the teaching's illuminating light we can find clarity and meaning in our lives. Not separating ourselves from society, it is important that we live within the priceless interconnections that we have with one another and support each other.”

Living the Nembutsu means training our heart and mind to return to gratitude repeatedly. Over time, we become more open, more compassionate, and less quick to judge others. Our burdens feel lighter, and our joy grows even greater, as our founder Shinran Shonin reflects in his sacred writings. Nurturing the Nembutsu is not about perfection but about perseverance. The willingness to start again and to remember gratitude, especially during challenging times, is an act of courage and trust in Amida Buddha's compassionate Vow.

Nurturing Nembutsu is a continuous, dynamic journey of self-discovery and spiritual transformation, an invitation to cultivate gratitude deep within our hearts. The essence of Nembutsu is gratitude: for life, connection, and the Buddha's boundless compassion that sustains and nurtures us. May we always remember to give thanks—for every breath, every lesson, and every act of kindness—and may our gratitude shine as a beacon of hope in a troubled world.

Namo Amida Butsu,

Rev. Blayne Higa  
Director  
Buddhist Study Center  
Office of Buddhist Education

### Hoonko Service

The Hoonko service is the memorial service of our founder, Shinran Shonin, to recall and appreciate Shinran Shonin, and listen to the Nembutsu teachings.

Shinran Shonin passed away on January 16, 1263 at the age of 90. After he passed away, many followers recalled Shinran Shonin, then they gathered together and had the service on his memorial day every year.

For the Shinran Shonin's 33rd year memorial service, Kakunyo Shonin, the 3rd Monshu of Hongwanji, decided on the system of the ceremony and composed "Hoonko-Shiki" to praise Shinran Shonin's virtue. This is the beginning of the Hoonko Service. Since then, Jodo Shinshu followers have observed the Hoonko service on the memorial day of Shinran Shonin for approximately 700 years.

At the Hoonko service, we express our appreciation and gratitude for the life of Shinran, who really shows us that the Buddha dharma is found, not in monastic rules, severe discipline, endless meditation or scholastic study, but in our lives, right here, right now. All it takes is a change of heart.

Hoonko service at Lihue Hongwanji will be observed on **Sunday January 18, 2026.**

**Lihue Hongwanji Mission's Bon Dance will be held on June 19 and 20. Everyone's help is needed to make it a success! Please volunteer by calling the office at (808)245-6262 or email [lihuehongwanjimission@gmail.com](mailto:lihuehongwanjimission@gmail.com).**

September 11-12, 2027  
Hilton Hawaiian Village

The World BWA Convention is held every four years, rotating among the world districts. Hawaii has the privilege of hosting the convention in 2027. We last traveled to Kyoto, Japan in 2023 and combined it with the Joint Celebration of the 850th birthday of Shinran Shonin and the 800th anniversary of the establishment of the Hongwanji at Honzan.

Join the LHWA for the opportunity to attend the World Convention, meet fellow Buddhist followers from Japan, Canada, the US mainland and Brazil, participate in educational workshops, and enjoy the fun and excitement of the event.

## Bare Necessities Drive

Taylor Nishimoto, a member of the Lihue Hongwanji Mission and a social worker with Child and Family Services, approached LHM asking for donations of slippers, clothing, shopping bags, toiletries, blankets, towels, and new pillows for clients in need of assistance. Thus, the KUHBWA "Bare Necessities Drive" was held in the months of November and December. The project was further extended through the KUHBWA to include West Kauai Hongwanji's assistance. Upon learning about the Drive, the Kapaa Hongwanji Mission members and the Lihue Hongwanji Preschool parents also chose to participate. The collective response of kindness and generosity from all parts of Kauai was extremely overwhelming and heartwarming. Thank you very much for your donation and be assured that it will make a difference for those in suffering and in need. Much gratitude to Rev. Yagi and Rev Hojo for their support and guidance, and to Lynne Matsumura, Carol Valentine, Taylor Nishimoto, Karen Nishimoto, Kenneth Mizuo, Lynette Mizuo, Sandie Fujimoto, Shirley Kakuda, and Roberta Yanagawa for their leadership and assistance.
